Specialists in Patient Positioning

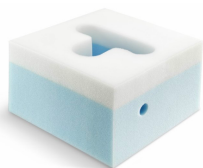

CS Egg Box Foam

This disposable indented foam provides extra padding for the patient on the operating table or in the recovery room. Use the complete sheet to cover the whole operating table or tear along the perforations for smaller pieces to fit the patient's arms, legs and chest.

- + Soft polyurethane foam to cushion and support the patient
- + Tear along the perforations for smaller pieces to fit the patient's arms, legs and chest
- + Single-use for infection control
