

The New CS FlexiFin™ Stirrups

The New CS FlexiFin™ Stirrups are designed for effortless, optimal lithotomy positioning. Similar in design and usability to the market leader but with new added features.

- + **Non-velcro silicon straps** supporting improved infection control
- + **Clearly visible scale** for simplified symmetrical alignment
- + **Flexible Boot** to accommodate larger patient calves
- + **Soft memory foam padding** reduces risk of pressure injury and compartment syndrome

Higher weight capacity compared to market-leading stirrups

Available in 180kg & 250kg patient weight
